

Privacy Policy

The Centre for Development of Advanced Computing (CDAC) is committed to protecting your privacy; while delivering the software that brings you the features provided in the Implementation of Integrated HMIS in Bokaro General Hospital (BGH) and associated health facilities. This privacy statement governs your use of the C-DAC's HMIS Mobile App for the said project. It does not apply to other online or offline or other sites of SAIL-Bokaro, services, or apps by SAIL.

This app provides features for patients and doctors of BGH Hospitals and associated health facilities that are covered under the scope of work of MoA, which use the Hospital Management Information System (HMIS) of the Centre for Development of Advanced Computing (CDAC), Noida.

Collection and Use of Your Information

The HMIS Mobile App does not collect or transmit to CDAC personally identifiable information or require the use of logins, passwords, etc. generated in the mobile app. The app uses the camera and record audio permissions to enable video calling between patients and doctors during tele consultation workflows & self visit stamping. The file system access permission is used to save and view prescriptions/ documents. The option to revoke these permissions can be set from the app settings options on the mobile device.

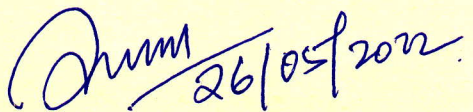

Security of Your Information

CDAC respects and protects the privacy of the individuals who use HMIS Mobile App services and is committed to helping protect the security of your information. The information captured by the app is not shared with any third party.

Changes to this Privacy Statement

We will occasionally update this privacy statement to reflect changes in our products, services and customer feedback. When we post changes, we will revise the "last updated" date at the top of this statement. We encourage you to periodically review this statement to be informed of how CDAC is protecting your information. If you have questions about this statement or believe that we have not adhered to it, please contact us at Mappsdev-noida@cdac.in.
